RE: Dell Jewish Community Campus

Dear Alice:

Thank you for hosting the meeting today with representatives of the Dell Jewish Community Campus ("DJCC") and the neighborhood. It is the position of the DJCC that all comments have been cleared and that the Part B Site Plan should be released by your office. In connection with this, I am enclosing a copy of a letter that I sent to Jim Cousar today confirming the concessions referenced at the end of the hearing on the appeal of the conditional use permit. After reviewing the videotape in your office, I think it was clear to all parties that this letter is the final step in the approval process for the site plan. Please instruct your staff to release the Part B Site Plan so that the DJCC can begin construction on this important project.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions or comments.

Very truly yours,

Richard T. Suttle, Jr.
